

## JOIN THE PRIDE SEEDS' TEAM

PRIDE Seeds is a seed-focused company that combines high performance genetics with leading technologies to increase yields and improve our customers' bottom-line. PRIDE Seeds is growing with new territories opening in various locations across Ontario.

By joining the PRIDE Seeds' team you will:

- Have the opportunity to access and position best in class genetics and leading traits with producers
- Be a part of a growing business that features one of the largest independent corn research and testing programs in the world
- Work closely with a team of seed and agronomy professionals who will support your business and provide proven strategies for growth
- Learn and build additional skills in marketing, agronomy and working with people
- Create additional income for your business

Join the PRIDE Seeds team today. Be a part of the growth story:
