

PRIDE SEEDS

Regional Manager (Quebec)

Due to retirement, PRIDE Seeds is currently seeking a focused and self-motivated individual to join a dynamic team as a Regional Manager in Quebec.

The successful candidate will become part of a winning team focused on delivering unique products, services and trusted agronomy support to increase the yield and profitability of farmers in Quebec.

Areas of responsibilities:

The successful candidate will work directly with the sales, marketing and product development teams with the sales, promotion and product positioning of PRIDE Seeds corn hybrids and soybean varieties with dealers and growers in the described region. This person will be responsible for business planning, development, recruiting and training an expanding dealer network.

Education/Experience:

- Degree or diploma in agriculture or related background with three to five years or more of related sales and agronomy experience required.
- Current Agronome designation or commitment to achieving this designation is required.
- Excellent computer skills, able to deliver content in various settings (live, video, virtually, etc.), able to collaborate and work in a team environment.
- Must have a valid driver's license.

Salary/Benefits:

PRIDE Seeds offers a comprehensive salary and benefit program.

For immediate consideration, please forward your resume by March 24, 2021 in confidence to:
