

PRIDE SEEDS

Customer Service Representative

PRIDE Seeds is currently seeking a dynamic customer service representative to join our fast-paced sales team at the Chatham-Kent corporate office in Pain Court, ON.

Responsibilities include:

- Provide Customer service support for dealer and customer
- Review and processing of customer orders for accuracy prior to shipping
- Coordinating shipping, and working closely with the logistics team
- Responsible for data entry, oversight on ongoing customer programs and account reconciliations

This position requires a highly motivated individual with excellent communication and ability to work in a fast-paced team setting. Possess strong organizational and computer skills, high attention to detail, and a professional manner. French language skills would be an asset in this role.

Education / Experience:

- 5 years of experience in customer service or similar role
- Diploma/degree in office administration, preferred
- Proficiency with Microsoft software
- Experience with SAP business application, preferred
- Agricultural background, preferred

Salary/Benefits:

PRIDE Seeds offers a comprehensive salary and benefit program. This includes competitive salary, 3 weeks' vacation to start, health and dental benefits, disability benefits, company pension and an education assistance program.

***PRIDE SEEDS** is part of AgReliant Genetics, one of the largest seed businesses in Canada. Our commitment is to provide high performance quality corn, soybean and forage varieties and associated services to growers across the country.*

For immediate consideration, please forward your resume in confidence by 5 p.m. April 2, 2021 to:
